# Strawberry Baskets

**11" BASKET**

*who doesn't like  
fresh strawberries?*

---

A treat for kids & strawberry lovers alike! Elevate snack time with homegrown strawberries all growing season long. With charming blossoms in white or pink, these everbearing varieties are as beautiful as they are delicious!

---

## Care Tips

- Water thoroughly until water runs out the bottom
- Strawberries require full sun
- Fertilize once a week with a water soluble fertilizer such as Miracle Gro and supplement every 3-4 weeks with our Flower and Veggie 10-15-19 Fertilizer
- Strawberries prefer well draining soil. To maintain and promote growth, be sure to harvest berries promptly
- Place outside when temperatures reach about 10° to 15°

# Boston Fern Baskets

**10" BASKET**

An  
indoor & outdoor  
visual treat \*

Transform your space with botanical charm! These hanging baskets boast cascading fronds that bring a breath of fresh air to both indoor & outdoor spaces. Don't miss out on this new addition; ready to redefine your space!

## Care Tips

- Water thoroughly until water runs out the bottom (watering is recommended everyday for drier and more humid areas). Mist often to increase humidity
- Ferns thrive in humid environments. If outdoors, hang in a shady area. If indoors, place near a window that is not exposed to full sun or a draft.
- Fertilize once a month with a water soluble fertilizer mixed to half strength. Don't apply fertilizer to dry soil
- Snip off any brown fronds to create space for growth
- Bring inside if weather gets colder, windy, or if there is frost

# Patio Rose Planter

**2 GALLON POT**

*the ultimate  
symbol of love* ❤️

Add a touch of elegance to your garden! Planted in a 2-gallon pot, these perennial Floribunda roses (in light/dark pink & red) are bred to brave colder weather and bring back color year after year.

**\*colors cannot be requested\***

## Care Tips

- When it is cooler, water deeply every 5-7 days
- When it is warmer, water on a daily-basis
- To avoid mildew, do not overhead water; keep leaves and flowers dry
- Requires 6+ hours of daily sunlight - morning sun is okay
- Using a liquid fertilizer, water roses first, add the liquid fertilizer, then water a little more so fertilizer reaches the roots
- Prefers a well-draining soil and benefit from Mulching during early Spring each year
- Can be kept outside year-round, but needs protection from freezing (roots can be insulated over the Winter/kept indoors)

# 10-Pack Geraniums

## 10-PACK FLAT

*easy to grow  
garden must-have*

Open the door to a garden of endless possibilities! These easy-to-grow bedding plants available in red, white, or pink, stay resilient against pesky intruders like deer & rabbits. Get ready for a burst of color!

**\*colors cannot be mixed in a flat\***

## Care Tips

- Geraniums need to be wet, but not soggy. Do not let roots sit in water. Water until the water starts running out of the bottom of pot
- Requires 4-6 hours of daily sunlight
- May use a balanced fertilizer every 2-3 weeks
- To maintain & promote growth, pinch off any flowers that have finished blooming
- Assortment prefers well-draining soil
- Place outside when temperatures reach 10°-15° or indoors if it will freeze over-night

8" POTS

add a  
sense of calm to  
your garden!

NEW  
PRODUCT

A famous, much-loved perennial with soft purple blooms and a calming fragrance. This easy-care lavender brings a sense of calm to your garden.

## Care Tips

- Water thoroughly when the top 2–3 cm of soil is dry; do not let roots sit in water.
- Prefers humid environments - keep indoors with temperatures over 15°
- Requires full sun (6–8 hours daily) for best fragrance and flowering.
- Fertilize once a month with a light, water-soluble fertilizer; avoid high nitrogen fertilizers.
- Prefers very well-draining soil to prevent root rot.
- Lightly trim after flowering to maintain shape and encourage new growth.
- Place outdoors once temperatures consistently stay above 10°C.
- **Not pet-friendly** — mildly toxic if ingested by dogs and cats.
