Strawberry Baskets

11" BASKET

WHO
DOESN'T LIKE
FRESH
STRAWBERRIES?

A treat for kids & strawberry lovers alike! Elevate snack time with homegrown strawberries all growing season long. With charming blossoms in white or pink, these everbearing varieties are as beautiful as they are delicious!

Care Tips

- Water thoroughly until water runs out the bottom
- Strawberries require full sun
- Fertilize once a week with a water soluble fertilizer such as Miracle Gro and supplement every 3-4 weeks with our Flower and Veggie 10-15-19 Fertilizer
- Strawberries prefer well draining soil. To maintain and promote growth, be sure to harvest berries promptly
- Place outside when temperatures reach about 10° to 15°

available everywhere

Boston Fern Baskets

10" BASKET

AN
INDOOR &
OUTDOOR
VISUAL TREAT

Transform your space with botanical charm! These hanging baskets boast cascading fronds that bring a breath of fresh air to both indoor & outdoor spaces. Don't miss out on this new addition; ready to redefine your space!

**NEW
PRODUCT**

Care Tips

- Water thoroughly until water runs out the bottom (watering is recommended everyday for drier and more humid areas). Mist often to increase humidity
- Ferns thrive in humid environments. If outdoors, hang in a shady area. If indoors, place near a window that is not exposed to full sun or a draft.
- Fertilize once a month with a water soluble fertilizer mixed to half strength. Don't apply fertilizer to dry soil
- Snip off any brown fronds to create space for growth
- Bring inside if weather gets colder, windy, or if there is frost

Patio Rose Planter

2 GALLON POT

THE
ULTIMATE
SYMBOL OF
LOVE

Add a touch of elegance to your garden!
Planted in a 2-gallon pot, these perennial
Floribunda roses (in light/dark pink & red)
are bred to brave colder weather and bring
back color year after year.

colors cannot be requested

Care Tips

- When it is cooler, water deeply every 5-7 days
- When it is warmer, water on a daily-basis
- To avoid mildew, do not overhead water; keep leaves and flowers dry
- Requires 6+ hours of daily sunlight - morning sun is okay
- Using a liquid fertilizer, water roses first, add the liquid fertilizer, then water a little more so fertilizer reaches the roots
- Prefers a well-draining soil and benefit from Mulching during early Spring each year
- Can be kept outside year-round, but needs protection from freezing (roots can be insulated over the Winter/kept indoors)

10-Pk Geraniums

10-PACK FLAT

EASY
TO GROW
GARDEN
MUST-HAVE

Open the door to a garden of endless possibilities! These easy-to-grow bedding plants available in red, white, or pink, stay resilient against pesky intruders like deer & rabbits. Get ready for a burst of color!

colors cannot be mixed in a flat

Care Tips

- Geraniums need to be wet, but not soggy. Do not let roots sit in water. Water until the water starts running out of the bottom of pot
- Requires 4-6 hours of daily sunlight
- May use a balanced fertilizer every 2-3 weeks
- To maintain & promote growth, pinch off any flowers that have finished blooming
- Assortment prefers well-draining soil
- Place outside when temperatures reach 10° -15° or indoors if it will freeze over-night

available everywhere

Indoor Foliage Trio

6" POTS

NEW
ADDITION WITH
A TROPICAL
VIBE

**NEW
PRODUCT**

Add a tropical touch to your indoor space! Welcome the cascade of a trailing Pothos, a vibrant pop of color from a Tradescantia, & the elegant stature of a Dieffenbachia - all displayed in 6" decorative pots!

duplicates/substitutes may occur

Care Tips

- Tropicals do not need a lot of water. Wait until the soil on top 2 inches has dried completely before watering again
- Prefers humid environments - keep indoors with temperatures over 15°
- Place in areas with indirect sunlight (near windows with blinds is perfect)
- To maintain & promote growth, pinch off any flowers that have finished blooming
- Benefits from periodic fertilizing every 2-3 weeks from Spring to Summer and every 3-4 weeks in Winter
- Use a high acidic, loose, well-draining soil that is high in organic matter

available everywhere

WHAT TEAMS SAY

"This couldn't be an easier fundraiser. Everything is recorded, tracked, and communicated! Would lead this fundraiser again in a heartbeat."

Danielle - Lethbridge, AB

"These plants sell themselves! This is our most successful fundraiser by far. Growing Smiles Fundraising staff are fantastic, the drivers are helpful, and we look forward to working with them again next season."

Alesha - Okotoks, AB

"Great fundraiser to run! So many great resources to assist a group with selling the products. The whole process is seamless! The products themselves are gorgeous. A really good fundraiser to raise money!"

Nuala - Grande Prairie, AB
